DIVE N' SURF Dive Shop has generously allowed the California Wreck Divers Dive club to use their large yard at the shop for the 3rd Annual Swap Meet, allowing divers to buy and sell dive gear and help Travis. A large tent will cover the area and 25 tables will be provided, filled with dozens of garage sales' worth of scuba diving gear. Feel free to spend hours browsing and spend time with old friends or meet new ones. Have a great hamburger with all the fixings at the Hula Hut barbeque. This is a wonderful event that has been growing every year. WE HOPE TO SEE YOU THERE!
